

Dust in the wind  
 Why worry  
 You've got to hide your love  
 Dancing in the dark  
 You've got a friend  
 Vü' schena is des G'fühl  
 The times they are a changin'  
 Feuer  
 Knockin on heavens  
 Linger  
 Tequila sunrise  
 Cats in the cradle  
 Franz Bodschengels  
 Mach die Augen zua  
 Locomotive breath  
 Have you ever seen the rain  
 A altmodischer Hund  
 Lost and found  
 I am from Austria  
 Let it be  
 Remember when  
 Sunday morning comin'  
 Fields of gold  
 Losing my religion  
 Gezeichnet fürs Leben  
 Wholl' stop the rain  
 Lost and found  
 If you could read my mind  
 Mellow yellow  
 A altmodischer Hund  
 Cats in the cradle  
 As tears goes by  
 Behind blue eyes  
 I hab di leben g'sehen  
 These boots are made fo walking  
 Wia mei Herzschlag  
 I got a name

A Mensch möchte i bleib'n  
 Lass mi amoí no d'Sun aufgeh seh'n  
 Where do you go to, my lovely  
 Kalt und kälter  
 Lady d'Arbanville  
 Help me make it through the night  
 Weus'd a Herz hast  
 Wagon wheel  
 Wish you were here  
 It's all over now, Baby Blue  
 Die Kinetten  
 Anymore  
 Irgendwann bleib i dann  
 Ausgeliefert  
 Lodi  
 Time after time  
 Großvater  
 Tougher than the rest  
 Baby can I hold you  
 Where do the children play  
 Who'll stop the rain  
 Streets of London  
 A Mensch möchte i bleiben  
 I hab di Leben g'sehn  
 Wild world  
 City of New Orleans  
 Cats in the cradle  
 Don't think twice  
 The Boxer  
 In the ghetto  
 Eve of Destruction  
 Where do the children play  
 Für immer jung  
 Me and Bobby McGe  
 Mr. Bojangles  
 Come Monday  
 I'm on Fire
